Private Patient **Manager**

As Ashted Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.

Alex Potts is available throughout consultation, treatment and aftercare to offer a personalised service to each patient dependent on their needs and wishes. She is able to provide the vital link required between patients and their Consultant facilitating a streamlined treatment pathway.

What our Private Patient Manager offers

Alex Potts will:

- Be a point of contact for all private patients.
- Manage the private patient journey.
- Answer private patient queries within 24 hours Monday to Friday.
- Walk patients through the various stages of their private treatment and help with queries or concerns regarding referrals, insurance or anything else relating to their hospital stay.
- Ensure any special requirements are met before, during or after a patient's visit.

Alex Potts can be contacted directly as follows:

Business Relations **Manager**

In order to facilitate relationships between Ashted Hospital and the wider healthcare community, we have a dedicated Business Relations Manager working both in and around the Surrey area. Katerina Wells is responsible for building and developing relationships between those referring their patients and the hospital providing this treatment. She is able to utilise the expertise of our Consultants to provide training and educational events to GPs, Practice Managers, Nurse Practitioners and Physiotherapists enabling continued professional development.

What our **BRM** offers

Katerina Wells will provide:

- Lunch and Learn educational sessions.
- Consultant-led training for Healthcare Professionals.
- Social events and GP networking opportunities.
- Medical secretary workshops.
- Online referral system support.
- GP referral literature and regular hospital updates.
- A direct liaison between referrers, Consultants and hospital services.

Katerina Wells can be contacted directly as follows:

Physiotherapy Services at Ashtead Hospital

The Physiotherapy Department at Ashtead Hospital has both in and outpatient facilities offering a comprehensive range of treatments. We work closely with our referring GPs and Consultants and aim to provide a complete package of care to patients.

We can accept referrals from GPs and Consultants or you can self refer for physiotherapy. We are recognised by most insurance companies or you may also choose to self pay for your treatment.

All of the team are experienced Chartered Physiotherapists who are registered with The Health and Care Professions Council and have years of specialist experience.

We have a well-equipped department with a wide range of modern physiotherapy equipment offering one to one patient care.

As well as providing pre and post-operative care for inpatients we offer the following treatments:

- Acupuncture
- Falls management
- Hand therapy
- Pain management
- Pilates
- Rehabilitation following injury or surgery
- Spinal rehabilitation
- Sports injury rehab
- Shockwave Therapy
- Women's health/post-natal assessments

If you would like to book an appointment, please contact us on 01372 221 402.
